Graduated in Communication Design

During my university career I have demonstrated the ability to adapt to the context, I have learned work organization techniques, increased my skills in the field of Art Direction, Graphics, Event Creation and Marketing and developing my aptitude for problem solving.

I am available for travel and transfers.

Work experiences

- Hostess Events
- Dance teacher for 2 years
- Volunteering
- Agency Advertising Men at Work

During this last experience I learned the aspects and difficulties of being an Account, the importance of teamwork and being part of an agency team.

Education

IAAD University

October 2019 - July 2022

After obtaining the penultimate law exam of the first year I decided that it was not my way, so I participated to the Open Day of this university and carried out the admission test, thus starting this new path in October 2019. Today I am graduated in this course.

University of Turin - Law

September 2018 - September 2019

I enrolled two months after graduating from the Faculty of Law where I studied for a year.

Liceo Scientifico Collegio San Giuseppe

September 2014 - June 2018

Certifications

English Cambridge Advanced C1

French Delf B2

Interests

- Ballet
- Reading and staying informed about communication, design and what happens, constantly.
